

Adobe Photoshop Training Courses

Sydney, Melbourne, Brisbane and Canberra

Photoshop Retouching Masterclass

Course Overview

COURSE DESCRIPTION

For digital photographers looking to retouch their own work or self-taught retouchers looking to expand their skill set.

PREREQUISITES

An intermediate understanding of Photoshop is essential, with at least 1.5 years experience.

ABOUT THE INSTRUCTOR

The instructor is a professional high-end retoucher with over 14 years commercial beauty and fashion retouching experience. With a degree in Photography from the University of South Australia, and international commercial experience, he has been able to teach his methods to photographers, retouchers, art directors and tertiary students all over the world.
