

Adobe Premiere Elements Training Courses Sydney, Melbourne, Brisbane and Canberra

Premiere Elements | Course Overview

COURSE DESCRIPTION

With Adobe Premiere Elements 11, making incredible movies is easier than ever. Bring all your video clips and photos together in one convenient place where you can easily find, view and manage them, and then dive right into a full range of creative activities. Create your movies with smart, automated options that save you time and effort. Enhance your stories with professional effects and sound and share movies with friends and family in interactive online experiences, also DVD, Blu-ray, mobile devices and Youtube.

This course is conducted by our Adobe Certified Premiere Pro Instructor.
