

Adobe InDesign Training Courses Sydney and Melbourne

InDesign Interactive PDFs | Course Overview

COURSE DESCRIPTION

Learn how to prepare your InDesign documents to include rich media elements, such as sound, video content and animated graphics. Also learn to add interactive components such as hyperlinks, user-triggered buttons and movie panels to create animations and interactive presentations.

It is essential that students have at least 1 to 2 years experience with InDesign or have completed the 2 day Adobe InDesign Essentials course. See course outline on next tab, for more details.
