

## Captivate 8/7/6 Advanced | Course Overview

### COURSE DESCRIPTION

City Desktop's Advanced Captivate course follows on from the 2 day Essentials Captivate course. It enables current Captivate users to improve their production skills by incorporating higher-end features such as project templates, design templates, custom styles, system variables, advanced actions and scripts.

### WHAT YOU WILL LEARN

- Custom Styles, Branching & Aggregating
- Question Pools
- Accessible eLearning
- Variables and Widgets
- Master Slides and Project Templates
- Reporting Results & LMS
- Actions and Conditional Actions
- Naming Objects
- Working with PowerPoint

### WHO SHOULD ATTEND AND PREREQUISITE

Anyone who has completed the 2-day Essentials Captivate course or who has been using Captivate for more than one year. (If you are self taught, and would like to attend this course, please call City Desktop to discuss your current level of experience with one of our Captivate trainers.)

~~\$540~~ **\$500** (+GST)  
1 DAY | 9-4:30PM
